

Q2 PROMOTIONS FOR CUSTOMERS

TRADE UP TO DIGITAL

When you make the move to digital two-way radios, you gain greater efficiency, improved audio quality, enhanced clarity and more. From April 1 through June 30, 2019, save when you migrate to digital by taking advantage of trade-in discounts on CP200d and EVX-261 Series radios.

CP200d SERIES RADIO TRADE-IN OFFER

Perfect for the everyday user that wants to stay connected, the CP200d Series radios provide a simple, reliable and cost-effective communications solution to help work crews coordinate and collaborate to get the job done right. You can **save \$350 USD / \$460 CAD when you purchase 10 CP200d Series radios and trade in 10 eligible units.**

EVX-261 SERIES RADIO TRADE-IN OFFER

You can migrate to digital easily and affordably with the EVX-261 Series radios. These radios operate in both analog and digital modes making them ideal for mixed fleets. You can **save \$200 USD / \$260 CAD when you purchase 10 EVX-261 Series radios and trade in 10 eligible units.**
